Kingsford® Chest Grills Fact Sheet

These two premium charcoal grills provide sufficient space to cook entire family meals or to cook substantial mounts of chicken, steak or burgers when entertaining a crowd.

WHAT: Two versions of chest-style charcoal grills

Premium 4000 – Stainless charcoal grill with gas grill appearance, porcelain coated cast iron cooking grids, large stainless steel access door for adding charcoal and removing ash easily, and a double-insulated stainless steel lid that minimizes discoloration even with extended exposure to heat

Premium 3000 – Black grill with cast iron cooking grids, large black powder-coat access door for adding charcoal and removing ash easily

Both models have fold down side shelves, an adjustable charcoal tray that allows moving the heat closer to or further away from the cooking grid, locking caster wheels, a large bottom storage shelf, a removable ash pan for easy cleaning, a warming rack and a temperature gauge

WHERE: Kingsford Chest Grills are available at a variety of retail outlets from mass merchants to home centers, warehouse clubs and specialty stores, and at www.masterbuilt.com.

SRP: \$195 - \$295
